

BRIEF INTERVENTION COURSE (BIC 327)

Community Builder

COURSE DESCRIPTION

The *Community Builder* brief intervention course helps students develop tools to create inclusive communities. This is not an educational course; rather, this course is designed to help students understand the different communities they belong to and that communities play an enormous role in their lives. It helps students have the desire to become a community builder, which means promoting understanding, respect, empathy, and inclusion.

LEARNING OBJECTIVES & SKILL DEVELOPMENT

- Relationship Building Skills
- Equip students with thinking skills to avoid negative interactions
- Increase student awareness of their drivers to build their communities
- Develop positive and pro-social thinking skills

RECOMMENDED USES

- **Self-Directed**—Student does most of the course work independently with a parent or mentor.
- **Group**—To be completed at school in a group format with a facilitator.
- **Hybrid**—A combination of self directed learning and group instruction.
- **Live Instruction**—Facilitator led digital curriculum, suitable for both in class or virtual.
